Create a Support and Resource Network in Your
Area for Providers who are “Transgender
Friendly”

This conference is a wonderful opportunity to meet other providers in your region who welcome transgendered clients into their practices. Each day, time has been set aside for you to network with other conference participants. For instance, on Saturday you can meet over a complimentary breakfast, during an optional lunch meeting with providers of your same discipline or hand out your cards during our afternoon snack break. Come, bring your cards or brochures, and get ready to go home with a great list of providers you’ve met in your area.
